

Leadership updates, week of Sept 21

Summarized from six team updates · For Fig

WHAT NEEDS YOU

- **Harborline.** Amanda says turnaround ran 5.8 days against a 5-day contract. She moved two people to help. Worth asking her for a plan with a date.
- **RecordPoint.** Michelle wants a call. They have many open invoices and say they can't get into the portal.

BY TEAM

Operations (Amanda)	Harborline running hot; two people moved from the Keystone queue. One reviewer being coached on rework. Beacon volume very low.
Finance (Christine)	August close done except 2 items. AWS bill about 40% higher than July. Duplicate Iron Mountain bill voided. Scott reviewing a \$25,000 adjustment.
Customer Experience (Michelle)	Tickets up 12%, mostly status questions and portal logins. NPS survey goes out Friday.
Security (Chris)	Pioneer Standard security questionnaire due Oct 9. Pen test Oct 14. No incidents.
HR (Kaela)	3 intake associates start Oct 5; onboarding plan still needed. Open enrollment emails Oct 1.
Technology (Heidy)	Expedite option (EREQ-2147) in development; testing with Mary next week. Looking into the AWS increase.

DATES COMING UP
